### **From Duluth:**

Take Highway 35 South. There are two Moose Lake exits. Take the second one. At the end of the exit, take a right towards town and proceed about 1 to 1.5 miles. You will reach Highway 61. Take a left and then the first left after that brings you to the hospital.

Report to the main reception desk and ask for Community Room 1. Someone there will direct you to where the lecture is given and facilitate any additional needs.
